In an effort to keep our prices competitive, while being able to maintain a great product and great service, Alfy's has implemented a 6% service charge to all guest checks. This service charge is in response to the recent increase in Washington state's minimum wage and related benefits. We are committed to offering various specials that our customers have been accustomed to, including our 1/2 price pizza daily from 11-2pm, which we have done for over 45 years. The 6% service charge will be added to those great offers. Thank you for your business, we look forward to serving you for another 45 years, and beyond!
